RESEARCH ACTIVITIES AT NONPROFIT ORGANIZATIONS

The following questions collect information on your organization and asks about research performed and/or funded by your organization.

- For the purposes of this survey, your organization is defined as all units included in your Internal Revenue Service (IRS) Form 990 or IRS Form 990-PF filings.
- The reporting period for this section is your organization's fiscal year ending in 2025.

Data from this survey are used by the National Center for Science and Engineering Statistics (NCSES) within the U.S. National Science Foundation. NCSES produces publicly available reports (<https://nces.nsf.gov/surveys/nonprofit-research-activities/>) highlighting how much U.S. nonprofit organizations spend on research each year and uses the data along with data reported by other organizations in the U.S. (e.g. businesses, universities, and government agencies) to prepare estimates of total national R&D spending for the public.

Estimates are acceptable. Report all items to the best of your ability.

Organization Affiliation

Is your organization affiliated with or considered part of another for-profit, nonprofit, or higher education organization? *For example, a specific hospital foundation, university research entity, etc.*

Yes

If "Yes", specify 

No

Total Expenses

What was the consolidated total amount of your organization's expenses for 2025 as (would be) reported on your IRS Form 990s, line 18, or IRS Form 990-PFs, line 26, total expenses and disbursements for column (a) revenue and expenses per books?

\$Bil.	Mil.	Thou.	Dol.
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/> 0 <input type="text"/> 0 <input type="text"/> 0

Round to the nearest one thousand dollars. If none, report zero.

Number of Employees

For the pay period including March 12, 2025, how many people worked for your organization?

Include:

- Full- and part-time employees

Number
<input type="text"/>

Exclude:

- Temporary employees and consultants.

Fiscal Year End

In what month did your organization's Fiscal Year (FY) 2025 end?

MM	YYYY
<input type="text"/>	<input type="text"/> 2 <input type="text"/> 0 <input type="text"/> 2 <input type="text"/> 5

The next questions ask about research performed and/or funded by your organization. Please read the information below before continuing.

By research we mean...

For the purposes of this survey, research includes **research and experimental development**.

Research and experimental development comprise creative and systematic work to:

- Increase the stock of knowledge, including knowledge of humankind, culture, and society OR
- Devise new applications of available knowledge, including materials, products, devices, processes, systems, or services.

Research activities must be...

- **Novel:** projects that advance current knowledge or create new knowledge
- **Creative:** projects focused on original concepts and hypotheses
- **Uncertain:** project outcomes are unable to be completely determined at the outset
- **Systematic:** projects are planned and budgeted
- **Transferable/Reproducible:** project methodology and results are transferable/reproducible to other situations and locations.

May meet the criteria for research

- Laboratory or animal studies
- Clinical trials
- Prototype development
- Outcomes research
- Development/measurement of new methods to deliver/measure social service outcomes
- Policy research
- Humanities research
- Research traineeships
- Other experimental studies

Most likely do not meet the criteria for research

- Internal program monitoring or evaluation
- Public service grants or outreach programs
- Education or training programs
- Quality control testing
- Market research
- Management studies/efficiency surveys
- Literary, artistic, or historical projects, such as films, music, or books and other publications
- Feasibility studies, unless included as part of an overall research project

Research Expenses

Did your organization have research expenses in FY 2025?

Include:

- Expenses for research performed by your organization.
- Funding for research performed outside your organization.

Yes

No

If you would like to add additional detail or clarification to your response, please comment in the space provided below.

Research Performance by Type of Cost

How much did your organization spend on research in FY 2025 in the following categories?

Round to the nearest one thousand dollars. If none, report zero.

Exclude:

- Capital expenditures (i.e., costs for construction or renovation of facilities)
 - o Report capital expenditures in 'Total Capital Expenditures', 'Total Capital Expenditures for Research Operations' and 'Capital Expenditures for Research Operations by Type of Cost'.
