FIGURE 2

Top 50 new-to-market innovation commuting zones

Note(s):
Robust mean is lower bound of 95% confidence interval for commuting zone mean. Information on commuting zones and constituent counties is available at https://sites.psu.edu/psucz/files/2018/09/counties10-21t2x4h.xlsx. More information on county code is available at https://www.ers.usda.gov/webdocs/DataFiles/53251/ruralurbancodes2013.xls?v=5649.8. “Yes” for shift indicates that the observed innovation rate is statistically higher than the predicted innovation rate (not shown).
