

FIGURE 1-12

Students in grade 9 in fall 2009 who had enrolled in postsecondary education by the end of 2013 and declared a STEM major for their most recent undergraduate degree or certificate, by selected demographic characteristics: 2016

STEM = science, technology, engineering, and mathematics.

Note(s)

STEM major considers both first and second majors declared by students for their most recent undergraduate degree or certificate. Hispanic may be any race; race categories exclude Hispanic origin. Parental education is the highest level of education achieved by either of the parents or guardians in a two-parent household or by the only parent or guardian in a one-parent household.
