International students enrolled in U.S. higher education institutions, by region, country, or economy of origin: 2018

Note(s)

Data include active foreign national students on F-1 visas and exclude those on optional practical training. Undergraduate level includes associate's and bachelor's degrees; graduate level includes master's and doctoral degrees. The data reflect fall enrollment in a given year and include students with "active" status as of 15 November of that year. Figure shading represents the natural log of the number of students.
