Institutions and degrees, by level of degree and control: 2017

Master's Degrees

Doctoral Degrees

Note(s)

The percentages in this figure may show different numbers than those in Table 2-1 because the table lists each institution once, under its highest degree granted. In this figure, institutions may be in multiple categories (e.g., an institution with doctorates as the highest degree awarded that also awards bachelor's and master's degrees).
