SEH doctorate recipients employed in academia, by type of position: 1973–2019

SEH = science, engineering, and health.

Note(s):

Academic employment is limited to U.S. doctorate recipients employed at 2- or 4-year colleges or universities, medical schools, and university research institutes. Full-time faculty include full, associate, and assistant professors. Other full-time positions include positions such as research associates, adjunct appointments, instructors, lecturers, and administrative positions. Part-time positions exclude those held by students or retired people. Percentages may not add to 100% because of rounding.
