

Figure LBR-10

Workers with a bachelor's degree or higher in each broad field of highest degree and degree level, by broad occupation: 2019

STEM = science, technology, engineering, and mathematics.

**Note(s):**

Individuals may have degrees in more than one S&E degree field. Middle-skill occupations are excluded because the data source does not allow for the separation of middle-skill occupations from non-STEM occupations. Non-S&E occupations include middle-skill and non-STEM occupations.
