

Figure URD-19

S&E research space and R&D expenditures at academic institutions: FY 1988–2019

NASF = net assignable square feet.

**Note(s):**

The biennial survey cycle for the facilities survey ran on even years for FY 1988 to 1998 and on odd years for FY 1999 to 2019. For R&D funding, totals for FY 1988–2002 represent R&D expenditures in S&E fields only. From FY 2003 through FY 2009, some institution totals for all R&D expenditures may be lower-bound estimates because the National Center for Science and Engineering Statistics did not attempt to estimate for nonresponse on the non-S&E R&D expenditures item prior to FY 2010.
