

Figure HED-2

Average undergraduate charge at public 4-year institutions as a percentage of disposable personal income and state support for higher education per full-time equivalent student: 2000–19

**Note(s):**

Data come from the *Science and Engineering Indicators* State Indicators, Indicators S-25 and S-28. State support for higher education per full-time equivalent student is shown in constant 2012 dollars. See the State Indicators for more detail.
