

Figure KTI-10

Country share of global KTI services value added for selected countries: 2002–19

KTI = knowledge and technology intensive.

**Note(s):**

Value added is the amount contributed by a country, an industry, or other entity to the value of a good or service and excludes purchases of domestic and imported materials and inputs. KTI industries include high R&D intensive and medium-high R&D intensive industries based on a classification by the Organisation for Economic Co-operation and Development. KTI services industries include information technology and other information services, software publishing, and scientific research and development. China includes Hong Kong. See also Table SKTI-7.
