

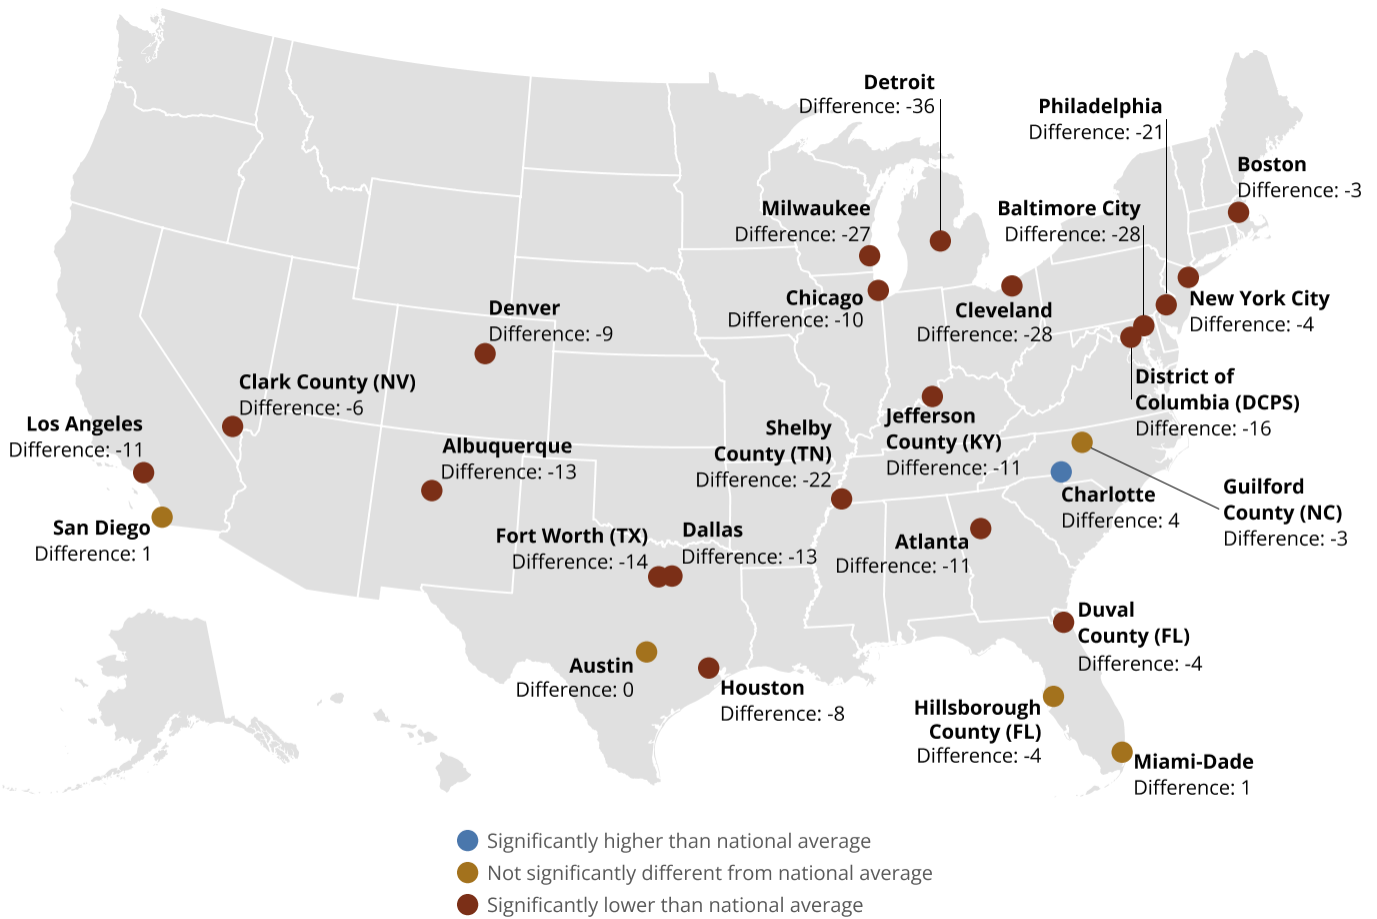

Figure K12-9

Comparison of average scores of students in grade 8 in urban school districts with national public average score on the main NAEP mathematics assessment: 2022

DCPS = District of Columbia Public Schools; NAEP = National Assessment of Educational Progress.

Note(s):

The scale for NAEP mathematics assessment scores is 0–500 for grade 8. The national average score of 273 is for national public schools only.
