

Figure KTI-19

Imported content share in U.S. gross exports, by exporting industry: 2007–21

IT = information technology; KTI = knowledge and technology intensive.

Note(s):

These statistics are preliminary and are subject to revision. The industry data are based on the North American Industry Classification System. KTI industries include high R&D intensive and medium-high R&D intensive industries based on a classification by the Organisation for Economic Co-operation and Development.
