

Figure KTI-C

Specialization in production for two selected industries, by state: 2021

Computer, electronic, and optical products manufacturing

IT = information technology; LQ = location quotient.

Note(s):

LQ is the ratio of the industry's share of a state's gross domestic product (GDP) to the corresponding industry's share of national GDP. Industry detail is based on the 2012 North American Industry Classification System crosswalked with the International Standard Industrial Classification, Revision 4.
