

Figure TRN-33. Country share of global KTI services value added for selected regions, countries, or economies: 2002–24

KTI = knowledge and technology intensive.

**Note(s):**

Value added is the value of goods and services (gross output) minus the cost of intermediate inputs (energy, materials, and purchased services). KTI industries include high R&D intensive and medium-high R&D intensive industries based on a classification by the Organisation for Economic Co-operation and Development. KTI services industries include information technology and other information services, software publishing, and scientific R&D.
