Part-time employed scientists and engineers who want full-time work, and reason for working part time: 2017

Note(s)

Detail may not add to total because of rounding and suppression and because respondents could select more than one reason. Scientists and engineers are individuals under the age of 76 who have a bachelor's or higher degree, are living in the United States, and have a science and engineering (S&E) or S&E-related degree or occupation.
