

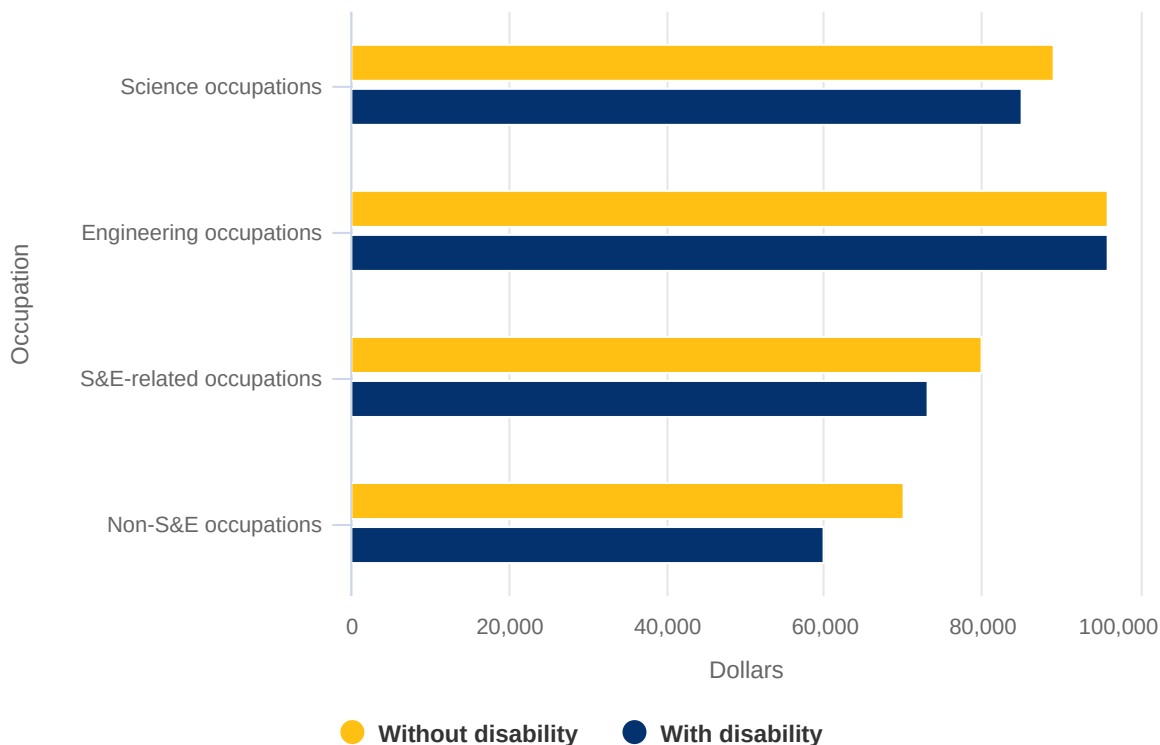

FIGURE 6-D
Median annual salary of scientists and engineers employed full time, by occupation groups and disability status: 2017

S&E = science and engineering.

Note(s)

Salaries are rounded to nearest \$1,000. S&E occupations include S&E postsecondary teachers. S&E-related occupations include health occupations. The National Survey of College Graduates asks the degree of difficulty—none, slight, moderate, severe, or unable to do—an individual has in seeing (with glasses), hearing (with hearing aid), walking without assistance, lifting 10 pounds, or concentrating, remembering, or making decisions. Respondents who answered "moderate," "severe," or "unable to do" for any activity were classified as having a disability. Scientists and engineers are individuals under the age of 76 who have a bachelor's or higher degree, are living in the United States, and have an S&E or S&E-related degree or occupation.
