<sup>a</sup> The FY 2018 data are official estimates reflecting continuing resolution funding for FY 2018 and not the enacted omnibus spending bill for that year (Consolidated Appropriations Act, 2018, signed 23 March 2018). Most federal agencies did not prepare R&D estimates for FY 2018 based on the final spending figures in the omnibus.

<sup>b</sup> While not reflected in the data displayed above, the Census Bureau budget was nearly doubled in the FY 2018 omnibus.

<sup>c</sup> While not reflected in the data displayed above, the National Institute of Standards and Technology budget was increased by approximately 26% in the FY 2018 omnibus.
