

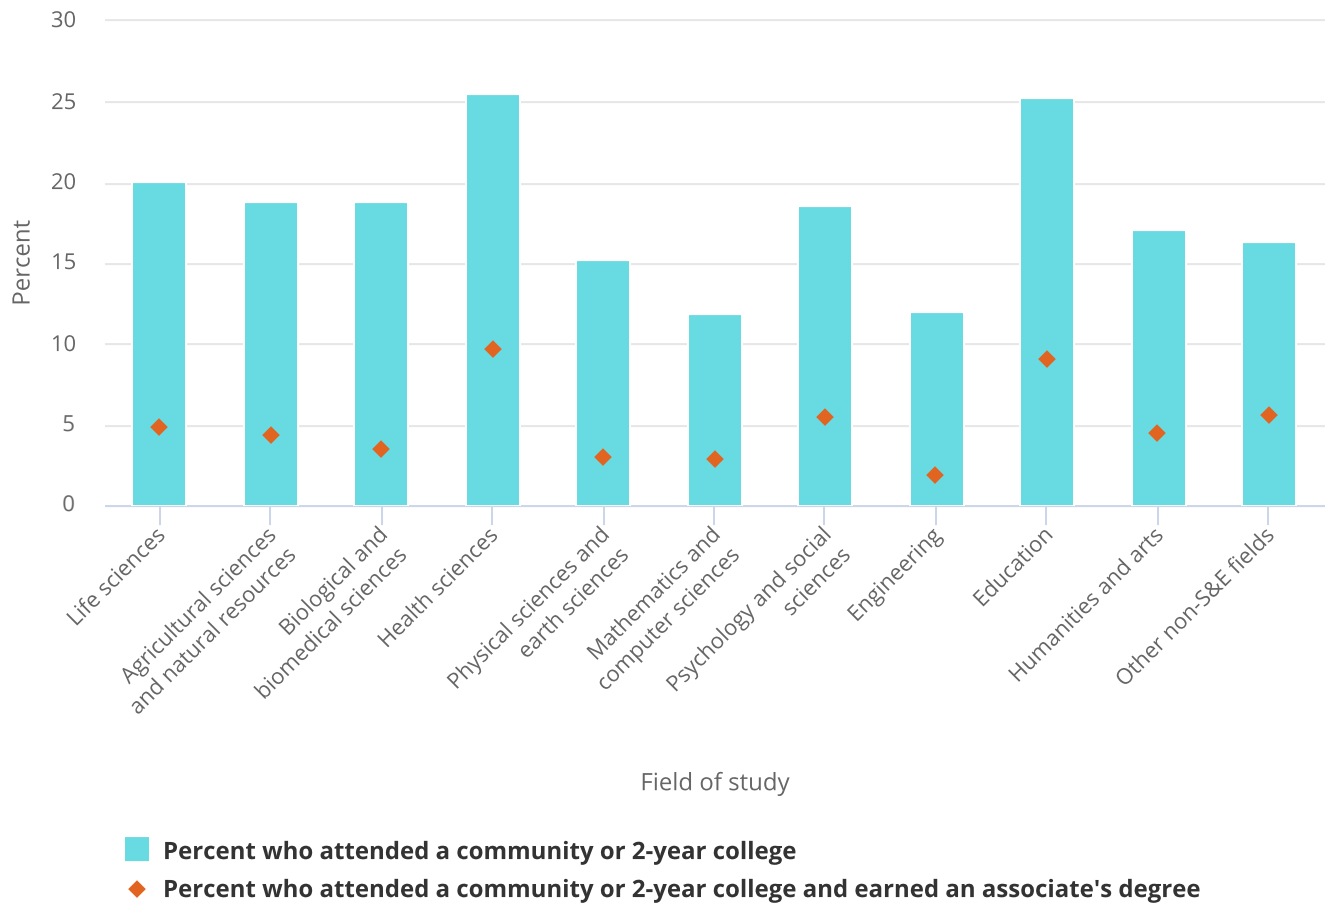

Figure 27

Doctorate recipients who earned college credit at a community or 2-year college and who earned an associate's degree, by field of study: 2017–19

S&E = science and engineering.

Note(s):

Agricultural sciences and natural resources, biological and biomedical sciences, and health sciences are major fields within the broad field of life sciences. See table A-6 in the technical notes for a listing of broad fields and their constituent major fields.
