

TABLE A-10

**Imputed amounts for higher education R&D expenditures in a medical school, by institutional control: FY 2019**

(Dollars in millions)

<b>Institutional control</b>	<b>All R&amp;D expenditures</b>	<b>Imputed amount</b>	<b>Imputed amount as % of total</b>
All institutions	29,915	33	0.1
Public	16,173	0	0.0
Private	13,742	33	0.2

**Note(s):**

Because of rounding, detail may not add to total. Percentages calculated on unrounded numbers. This table includes only institutions reporting \$1 million or more in total R&D expenditures in FY 2018. Institutions reporting less than \$1 million in total R&D expenditures in FY 2018 completed a shorter version of the survey form in FY 2019 that did not include this question.
