

TABLE A-11

Imputed amounts for higher education R&D expenditures in clinical trials, by source of funds: FY 2019

(Dollars in millions)

Source of funds	All R&D expenditures	Imputed amount	Imputed amount as % of total
All sources	3,093	60	1.9
Federally financed	1,183	35	2.9
Nonfederally financed	1,910	70	3.7

Note(s):

Because of rounding, detail may not add to total. Percentages calculated on unrounded numbers. This table includes only institutions reporting \$1 million or more in total R&D expenditures in FY 2018. Institutions reporting less than \$1 million in total R&D expenditures in FY 2018 completed a shorter version of the survey form in FY 2019 that did not include this question.
