

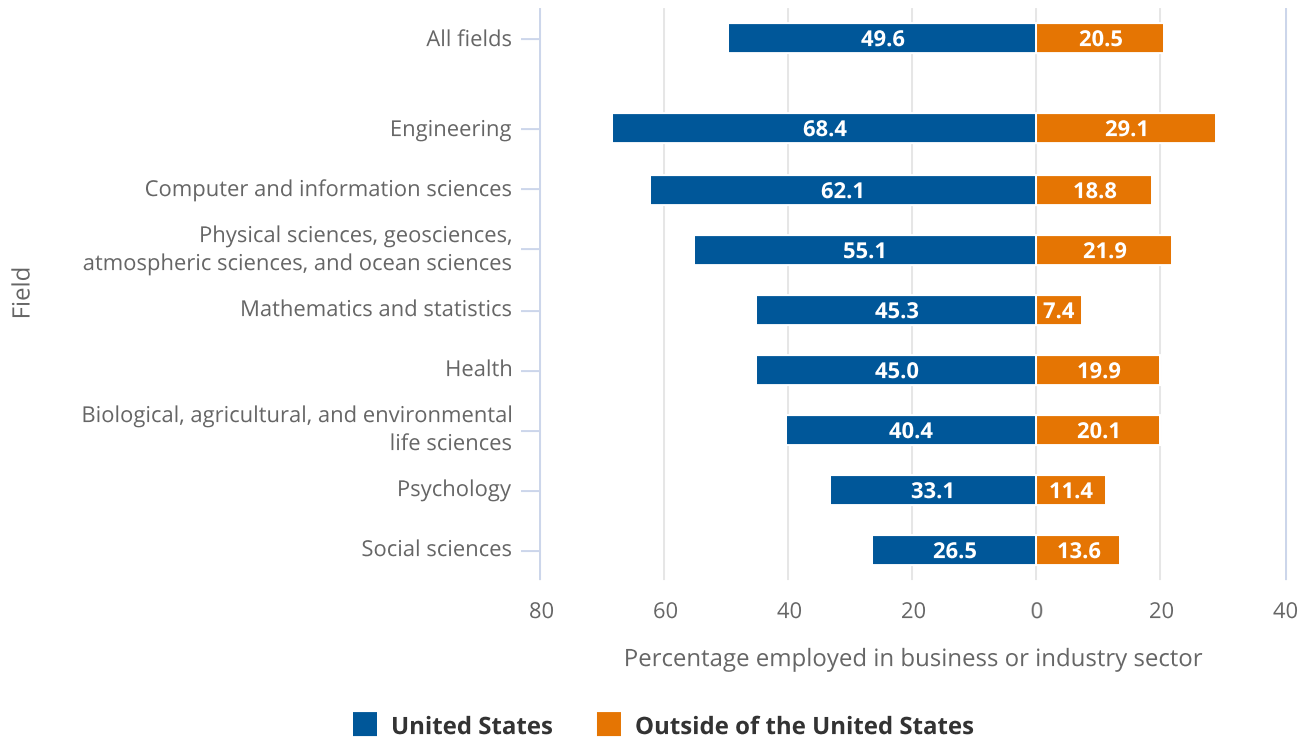

Figure 1

Employment in the business or industry sector among SEH doctorate holders who perform R&D, by broad field of study and residence location: 2019

SEH = science, engineering, and health.

Note(s):

Horizontal lines represent overall percentage of employed U.S.-trained SEH doctorate holders whose primary work activity is R&D and who work in business or industry. Residence location is based on reported living location on 1 February 2019. Business or industry includes private for profit, private nonprofit, self-employed or business owners in incorporated or nonincorporated business, and employers not broken out separately.
