

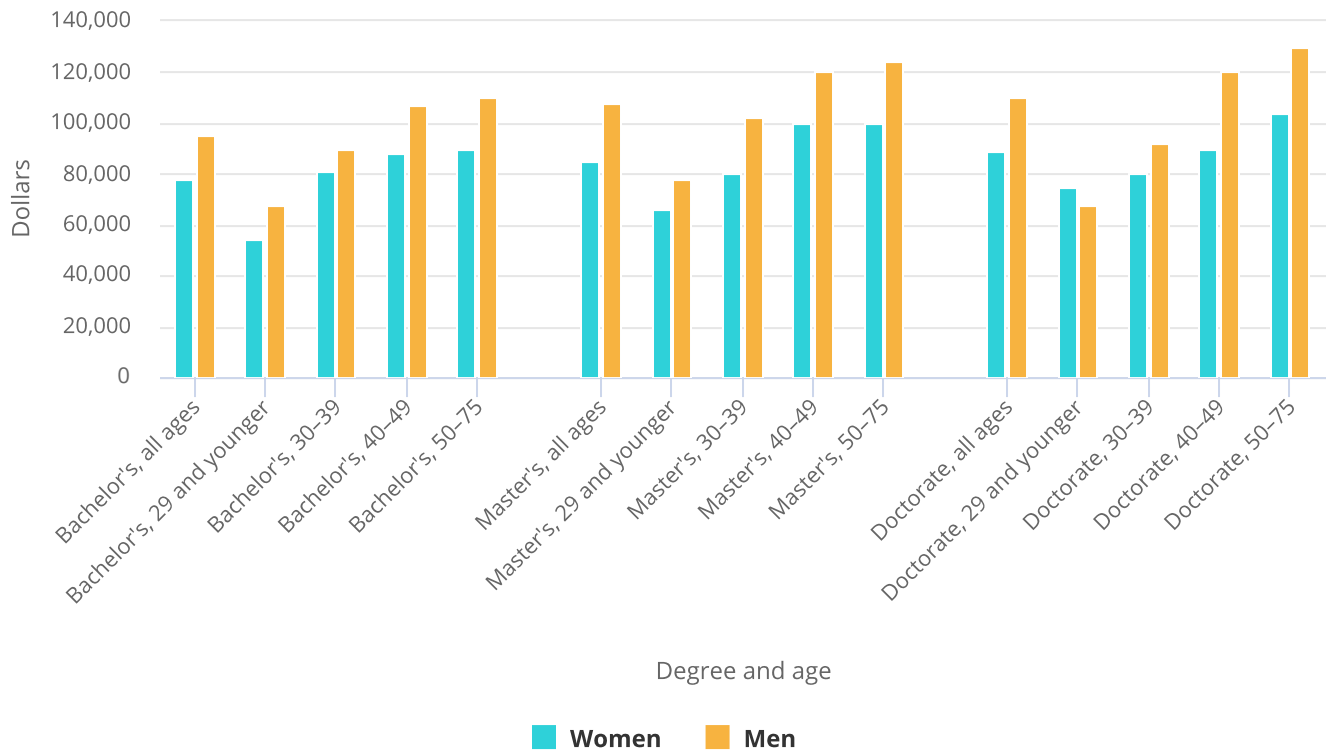

Figure 37

Median annual salary of scientists and engineers employed full time in S&E occupations, by age, highest degree level, and sex: 2019

S&E = science and engineering.

Note(s):

S&E occupations include S&E postsecondary teachers. Salaries are rounded to nearest \$1,000. Here only S&E occupations are included; S&E-related and non-S&E occupations are excluded.
