

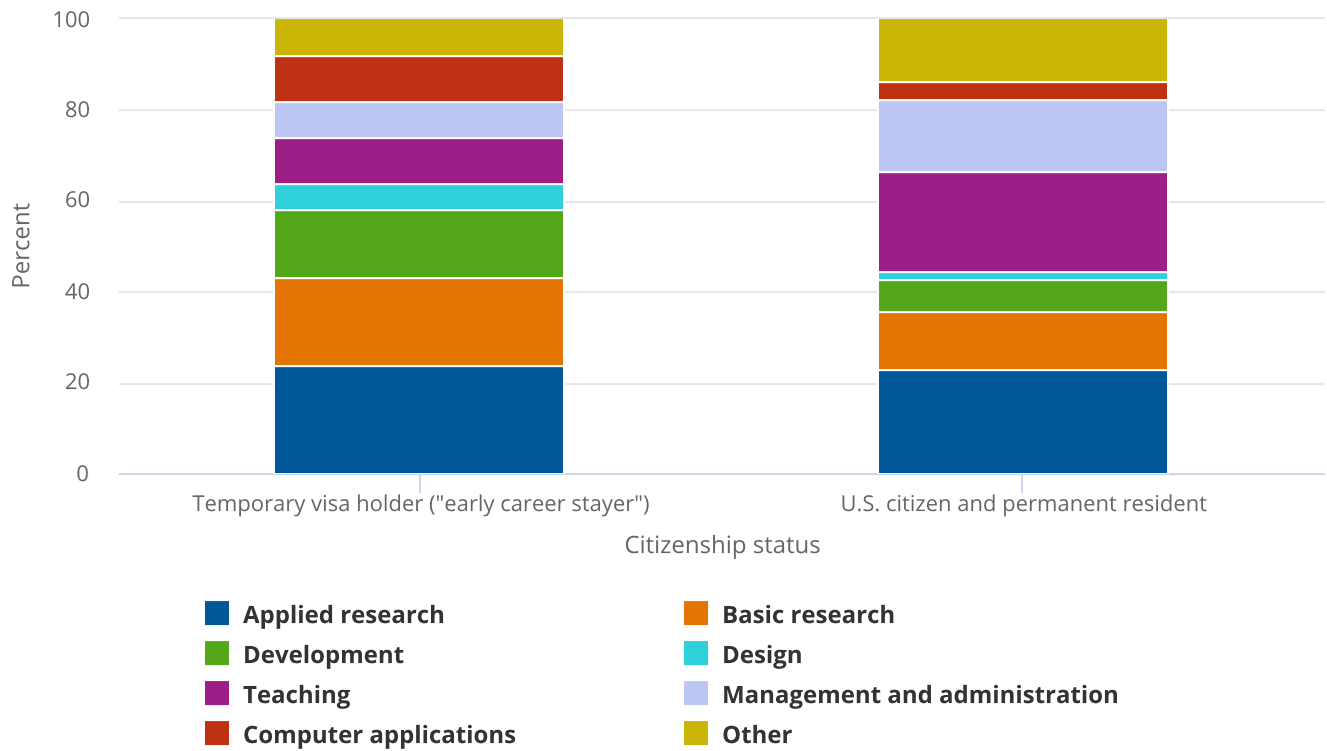

Figure 7

Early career U.S. S&E doctorate holders working in the United States, by citizenship status at graduation (2006–15) and primary work activity: 2017

S&E = science and engineering.

Note(s):

Percentages are based on the number of doctorate recipients who reported citizenship status at graduation. Early career S&E doctorate holders are those who graduated in 2006–15. Design includes the design of equipment, processes, structures, and models.
