

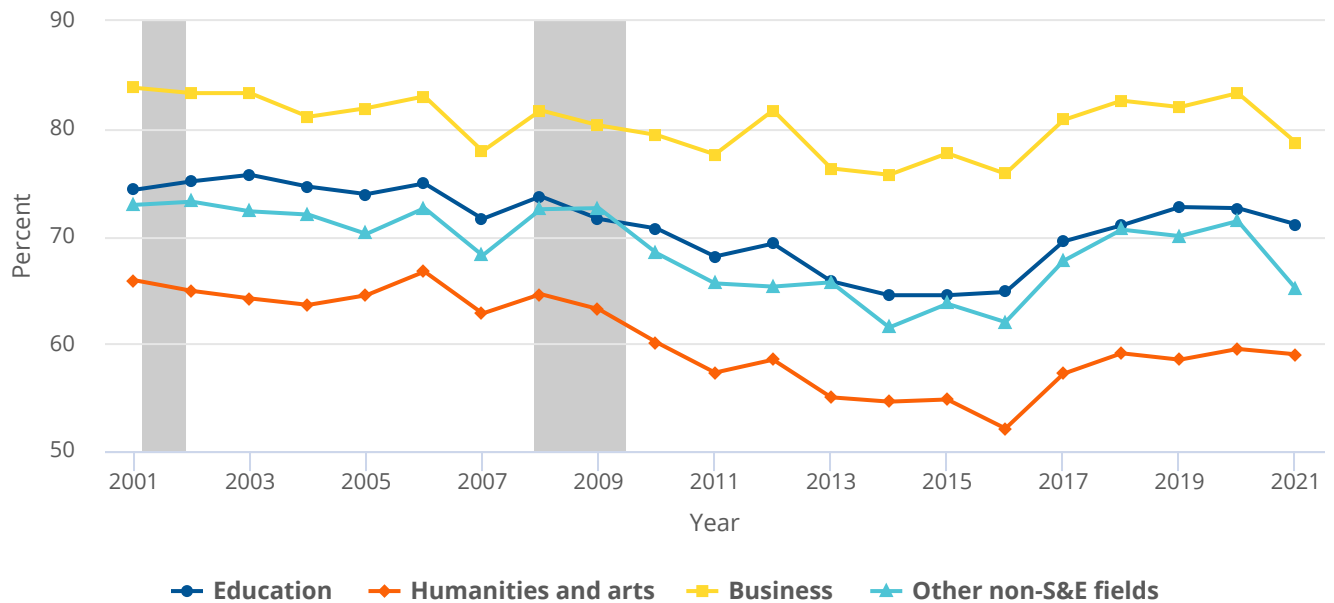

Figure 21**Definite commitments among doctorate recipients, by non-S&E broad field: 2001–21**

S&E = science and engineering.

Note(s):

Shaded areas in the graphic reflect recessions that occurred between March 2001 and November 2001 and between December 2007 and June 2009 (<http://www.nber.org/cycles/cyclesmain.html>). Definite commitment refers to a doctorate recipient who is either returning to predoctoral employment or has signed a contract (or otherwise made a definite commitment) for employment or postdoctoral study in the coming year. Percentages are based on the number of doctorate recipients who responded to the postgraduation status item.
