

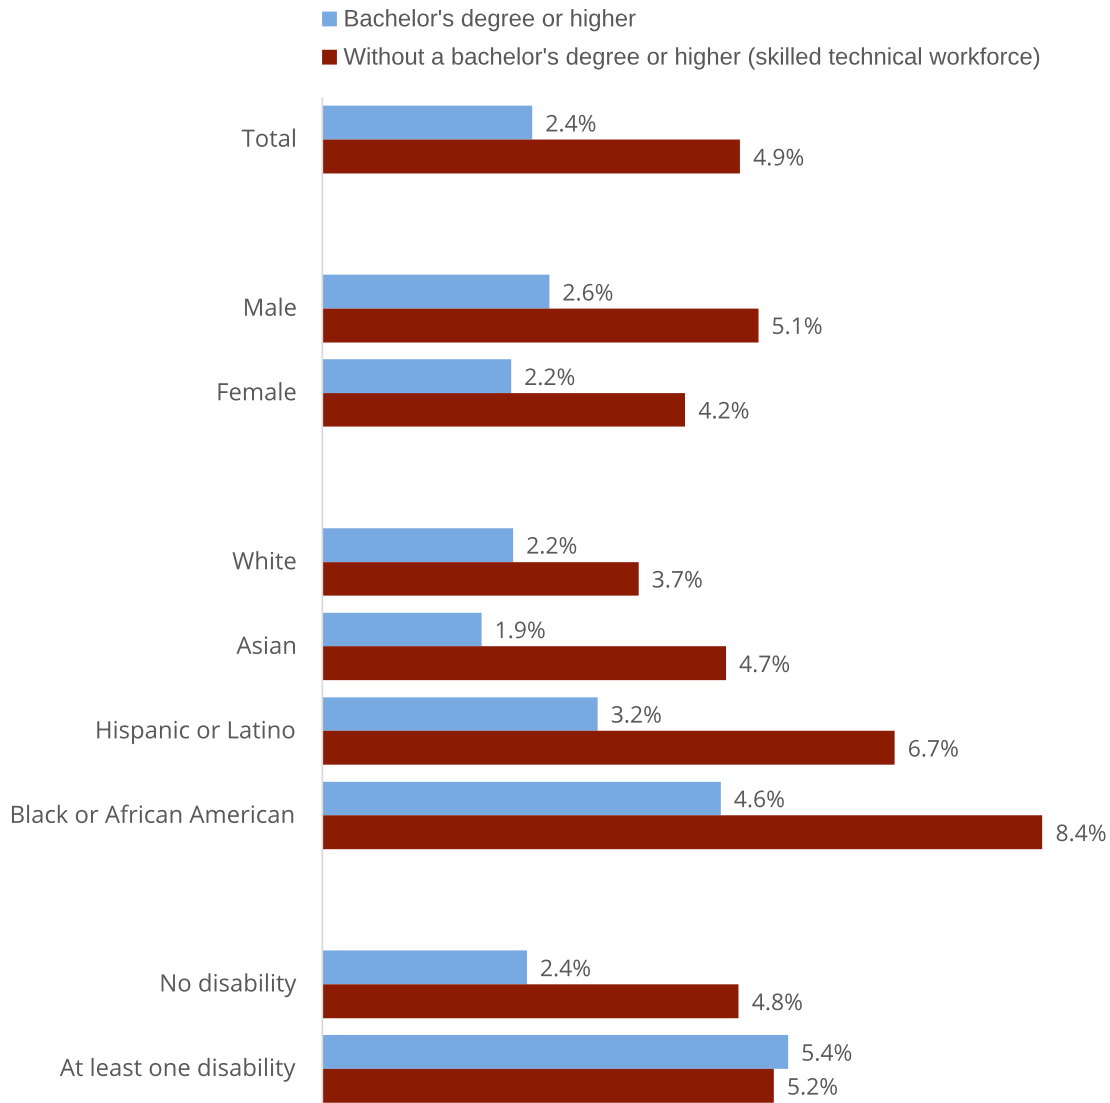

**Figure 5-3**

**Unemployment rate of the STEM workforce ages 18–74, by education, sex, ethnicity, race, and disability status: 2021**

STEM = science, technology, engineering, and mathematics.

**Note(s):**

Civilian noninstitutionalized population plus armed forces living off post or with their families on post. Hispanic or Latino may be any race; race categories exclude Hispanic origin. Respondents can report more than one disability. Those who reported difficulty with one or more functionalities were classified as having a disability. Estimates suppressed for reliability for American Indian or Alaska Native and other (Native Hawaiian and Other Pacific Islander and more than one race); does not meet unweighted cell size requirements.
