

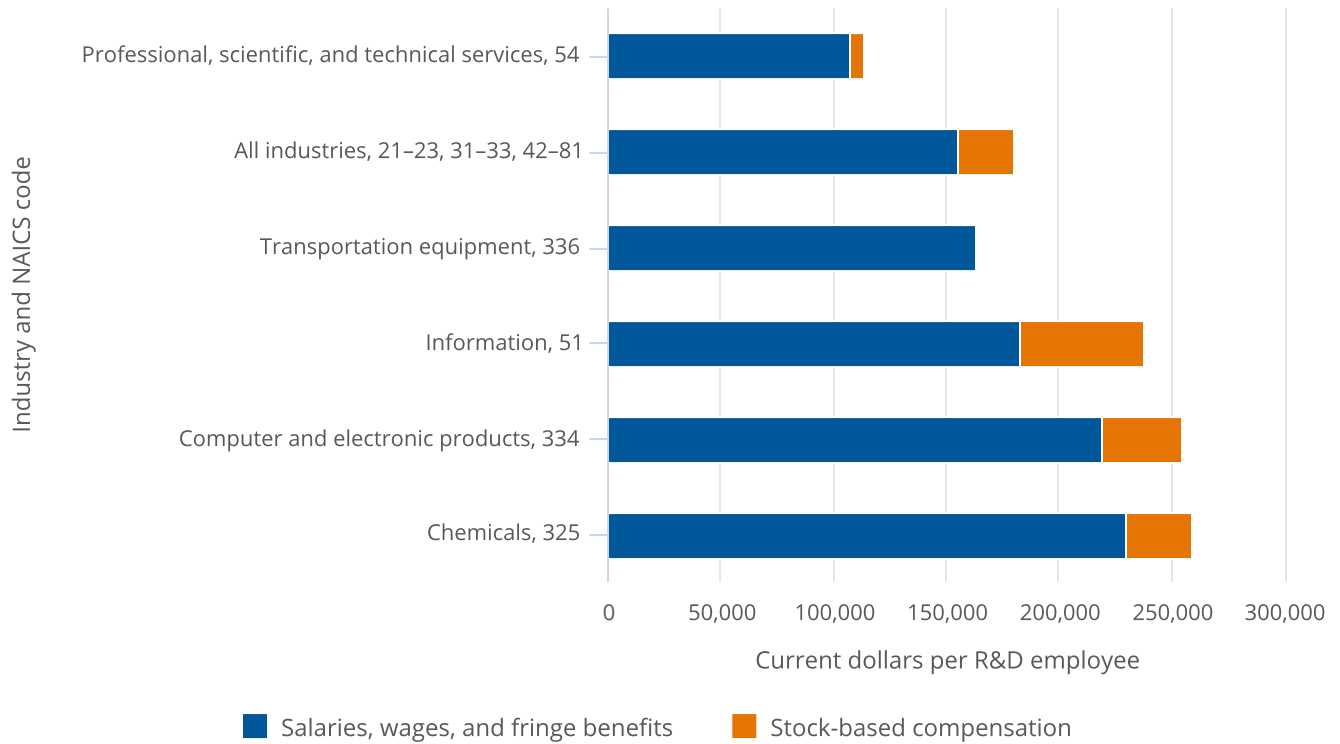

Figure 3
Compensation per domestic R&D employee, by selected industry: 2020

NAICS = 2017 North American Industry Classification System.

Note(s):

Industry classification is based on the dominant business code for domestic R&D performance, where available. For companies that did not report business codes, the classification used for sampling was assigned. Estimates for 2020 do not include companies with fewer than 10 domestic employees. Dollars are rounded to the nearest 1,000.
