

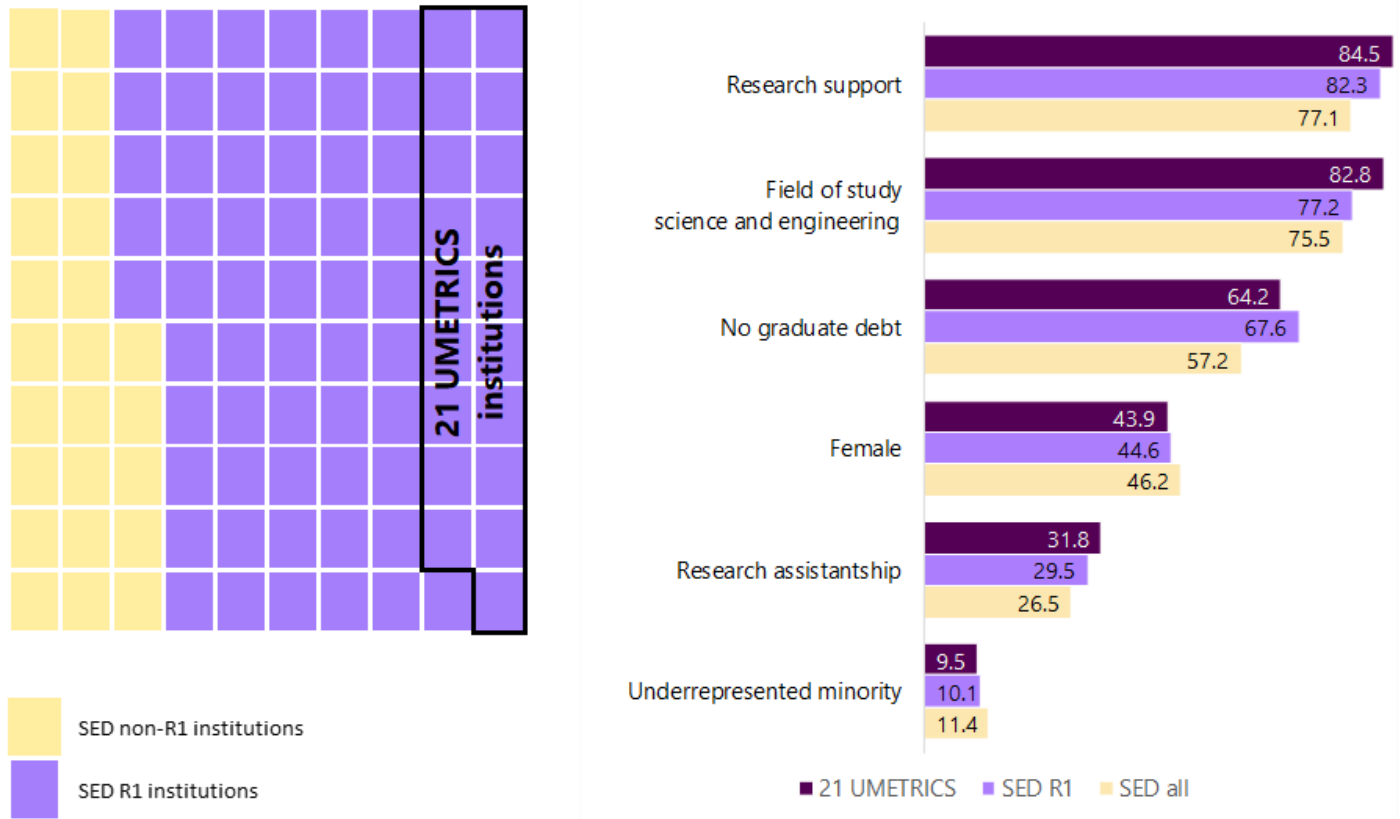

Figure 1

Distribution of doctoral degrees awarded in AYs 2014–17, by institution type and characteristic of doctorate recipient

AY = academic year; IRIS = Institute for Research on Innovation and Science; SED = Survey of Earned Doctorates; UMETRICS = Universities: Measuring the Impacts of Research on Innovation, Competitiveness, and Science.

Note(s):

R1 institutions are doctoral granting institutions with very high research activity defined by the Carnegie Classification. The 21 UMETRICS institutions are a subset of IRIS member universities included in the SED-UMETRICS linked data. Research support includes those who reported primary financial support in fellowship, scholarship, dissertation grant, or research assistantship. Research assistantship includes only those who reported primary support is research assistantship. Underrepresented minority includes those who are Hispanic or Latino, Black or African American, and American Indian or Alaska Native.
