

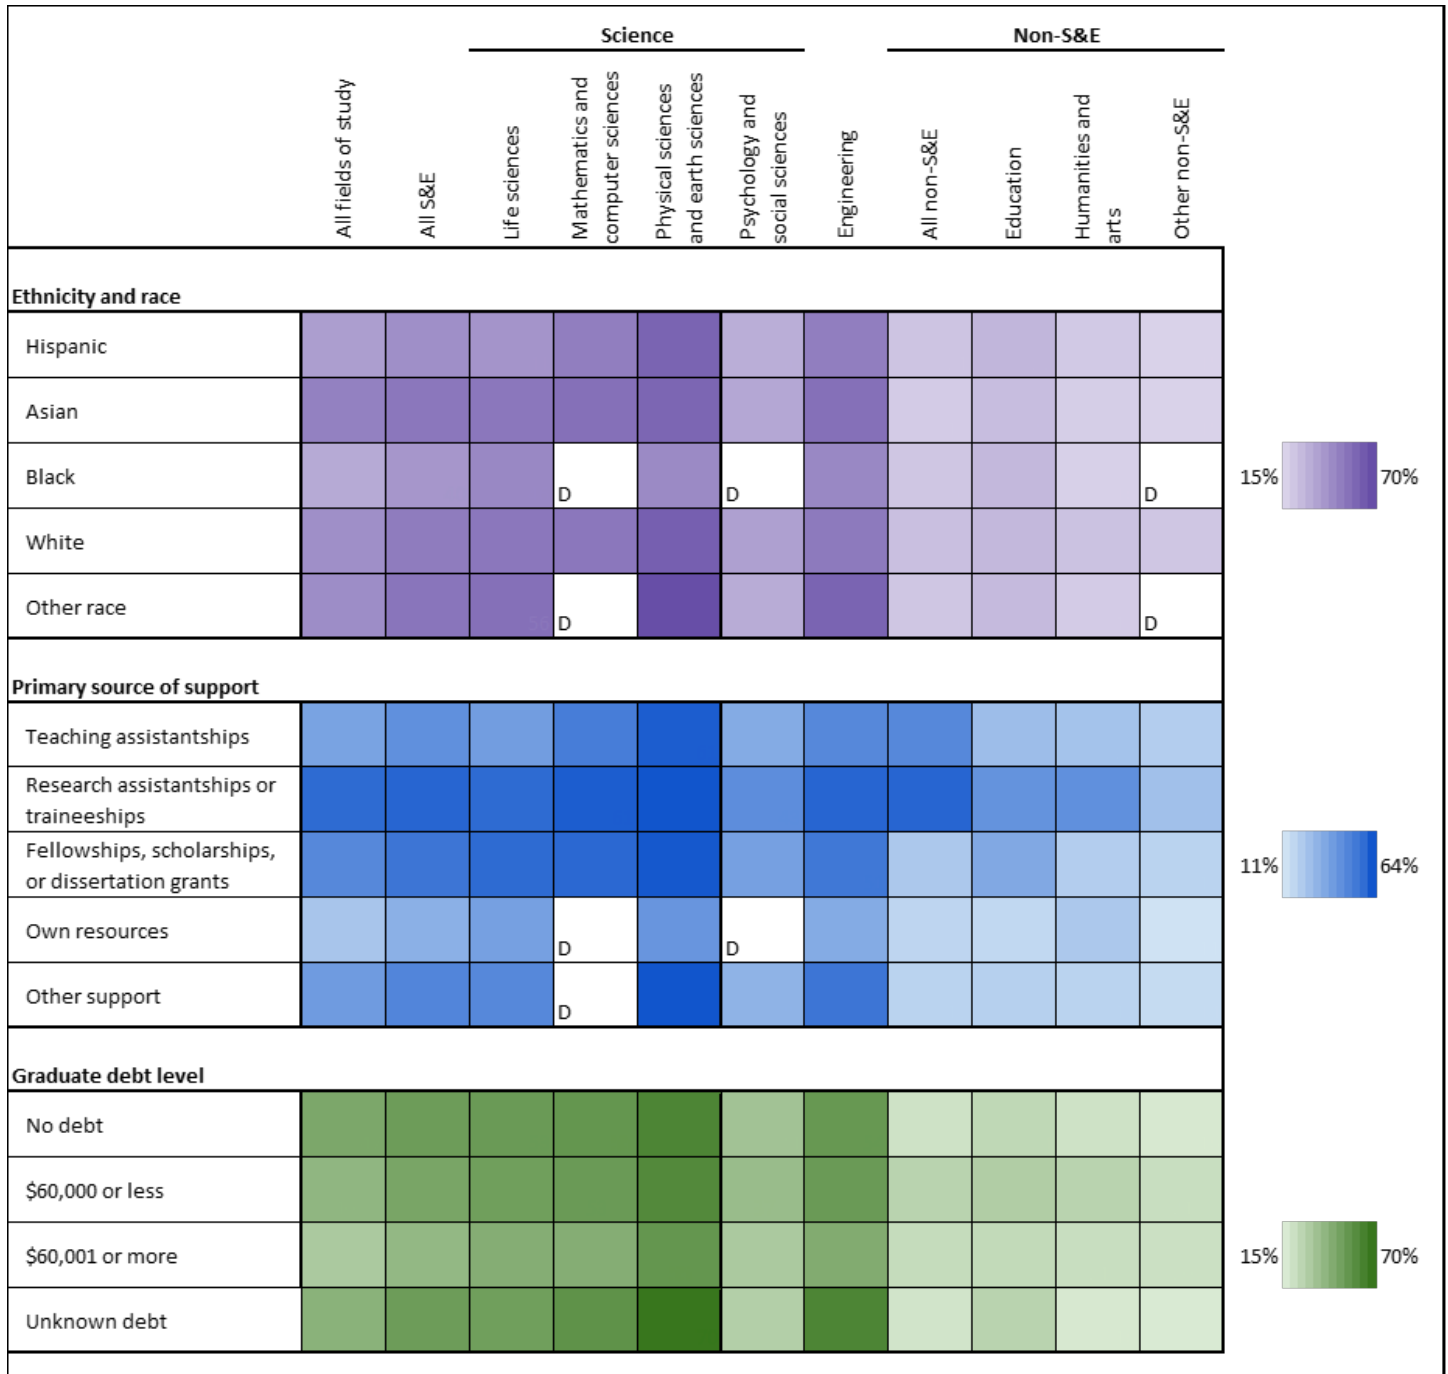

Figure 2

Research funding for U.S. doctorate students who graduated from 21 UMETRICS institutions in AYs 2014–17, by major field of study and selected characteristics

D = suppressed to avoid disclosure of confidential information.

AY = academic year; S&E = science and engineering; SED = Survey of Earned Doctorates; UMETRICS = Universities: Measuring the Impacts of Research on Innovation, Competitiveness, and Science.

Note(s):

Proportions are calculated on the subset of SED-UMETRICS linked data with full coverage. It is the subset of linked SED-UMETRICS data for individuals who had at least 3 years of institution data prior to their date of graduation. Hispanic or Latino may be of any race. Asian, Black or African American, and White are single race. Other race includes American Indian or Alaska Native, Native Hawaiian or Other Pacific Islander, persons reporting more than one race who are not of Hispanic or Latino ethnicity, and those without a reported race.
