

TABLE A-1

Organizations in the target population and selected for the sample, by industry: FY 2022

(Number)

Industry	NAICS code	Organizations in target population ^a	Organizations selected for the sample		
			All organizations	Noncertainties	Certainties
All organizations	All	42,000	8,000	5,900	2,100
Healthcare	621, 622, 623	23,000	4,200	3,200	950
Science and technology	5417	650	550	200	400
Other	Other	18,500	3,300	2,500	800

NAICS = 2017 North American Industry Classification System.

^a Estimates of the number of organizations in the target population are based on the original sampling frame that was created to select the Nonprofit Research Activities FY 2022 Module of the 2023 Annual Business Survey.

Note(s):

Numbers are rounded for disclosure protection purposes. Certainty organizations have a selection probability of one and a sampling weight of one and represent only themselves. Organizations are selected with certainty based on known R&D activities and larger than stratum-specific payroll cutoffs. Noncertainties are organizations with a probability of selection of less than one.
