^a This table includes a small amount of expenditures that originated from the Departments of Defense and Health and Human Services that are explicitly included in question 9. These expenditures were submitted by three institutions that did not move those expenditures to question 9 before survey close.

^b Some funding sources were not identified for security reasons or because the original source was not known.

Note(s):

This table includes only institutions reporting \$1 million or more in total R&D expenditures in FY 2022. Institutions reporting less than \$1 million in total R&D expenditures in FY 2022 completed a shorter version of the survey form in FY 2023 that did not include this question.
