[a] This table includes a small amount of expenditures that originated from the Department of Defense that are explicitly included in Question 9. These expenditures were submitted by two institutions that did not move those expenditures to Question 9 before the survey closed.

[b] Some funding sources were not identified for security reasons or because the original source was not known.

Note(s):
This table includes only institutions reporting $1 million or more in total R&D expenditures in FY 2024. Institutions reporting less than $1 million in total R&D expenditures in FY 2024 completed a shorter version of the survey form in FY 2025 that did not include this question.
