

FIGURE 6-21

Global exports of commercial KTI products and services: 2008–16

HT = high technology; KI = knowledge intensive; KTI = knowledge and technology intensive; MHT = medium-high technology.

Note(s)

Exports of commercial KTI products and services consist of exports of commercial KI services and high technology and medium-high technology manufacturing products. World exports of high technology and medium-high technology exports do not include intra-EU-European Union (EU), intra-North American Free Trade Agreement (NAFTA), and exports between China and Hong Kong. Exports of the EU do not include intra-EU exports. Exports of NAFTA do not include intra-NAFTA exports. Exports of China do not include exports between mainland China and Hong Kong. World exports of commercial KI services consist of other business services; telecommunications and computer and information services; and financial services. Financial services include finance and insurance. World exports and total EU exports of commercial KI services do not include intra-EU trade.
